

## *JOIN US FOR A THANKSGIVING FEAST AT POTUS*

As the festive season approaches, here at POTUS we're gearing up to bring you the taste of Thanksgiving from across the pond. Our special dinner is sure to leave you thankful for a delicious meal.

On **November 23rd**, we will be welcoming guests to savour this quintessential American holiday with us. We will be serving a Thanksgiving feast, complete with all the trimmings, as well as some classic American dishes and a classic pie. The centre piece of our menu is a succulent turkey breast served with all the trimmings you would expect, perfectly seasoned and carved to perfection. Whether you're one of our American guests looking for a taste of home, or a UK resident curious to experience the flavours of Thanksgiving, we invite you to celebrate with us on this special day.

We will also have an acoustic artist performing live during dinner service, setting the perfect ambiance for this special occasion. Our talented performer is set to enchant your senses with her soulful music, creating an atmosphere of warmth and gratitude. As you gather for dinner, the soothing sounds of the guitar and heartfelt vocals will provide the perfect backdrop for the evening. The artist's repertoire includes a delightful selection of songs, ensuring a musical experience that appeals to all generations.

Dinner will be served from **7:00pm to 11:00pm** on Thanksgiving. Reserving a table is strongly recommended to avoid disappointment on the night. You can reserve your table by the clicking the link below.
